=HUFF HUFF= WE'LL BE SAFE HERE. THEY CAN'T SEE US.
I CAN'T STAY. I HAVE TO TAKE OUT THAT NEST.
ARE YOU INSANE?
THERE'S NO TIME, I HAVE TO--
ARE YOU TRYING TO GET SHOT?
THEY KNOW EXACTLY WHERE WE ARE!
THEY'RE PERCHED UP THERE, JUST WAITING FOR YOU TO STICK YOUR HEAD OUT SO THEY CAN SHOOT IT OFF.
"THEY'RE IN MY HOUSE, DON'T YOU UNDERSTAND?"
I DON'T LIKE IT ANY MORE THAN YOU DO, BUT WE'RE TRAPPED HERE. PLEASE TRUST ME.
I'M SORRY ABOUT YOUR FRIENDS, BUT I DON'T SEE HOW GETTING YOURSELF KILLED HELPS ANYTHING.

I TOLD THEM IT WAS TOO DANGEROUS! ORDERS FROM LONDON, WE COULDN'T SAY NO.
THERE'S A PLATOON, FRESH FROM THE FRONT LINES. THEY'RE SUPPOSED TO BE CARRYING SOMETHING LONDON WANTS. PLANS, MAPS, WHO KNOWS? FELL INTO AN AMBUSH, ABOUT THREE MILES EAST OF HERE.
THEY'RE PINNED DOWN AND OUTNUMBERED.
LIKE US.
"THERE'S A FRESH BATTALION MARCHING THIS WAY. AMERICANS."

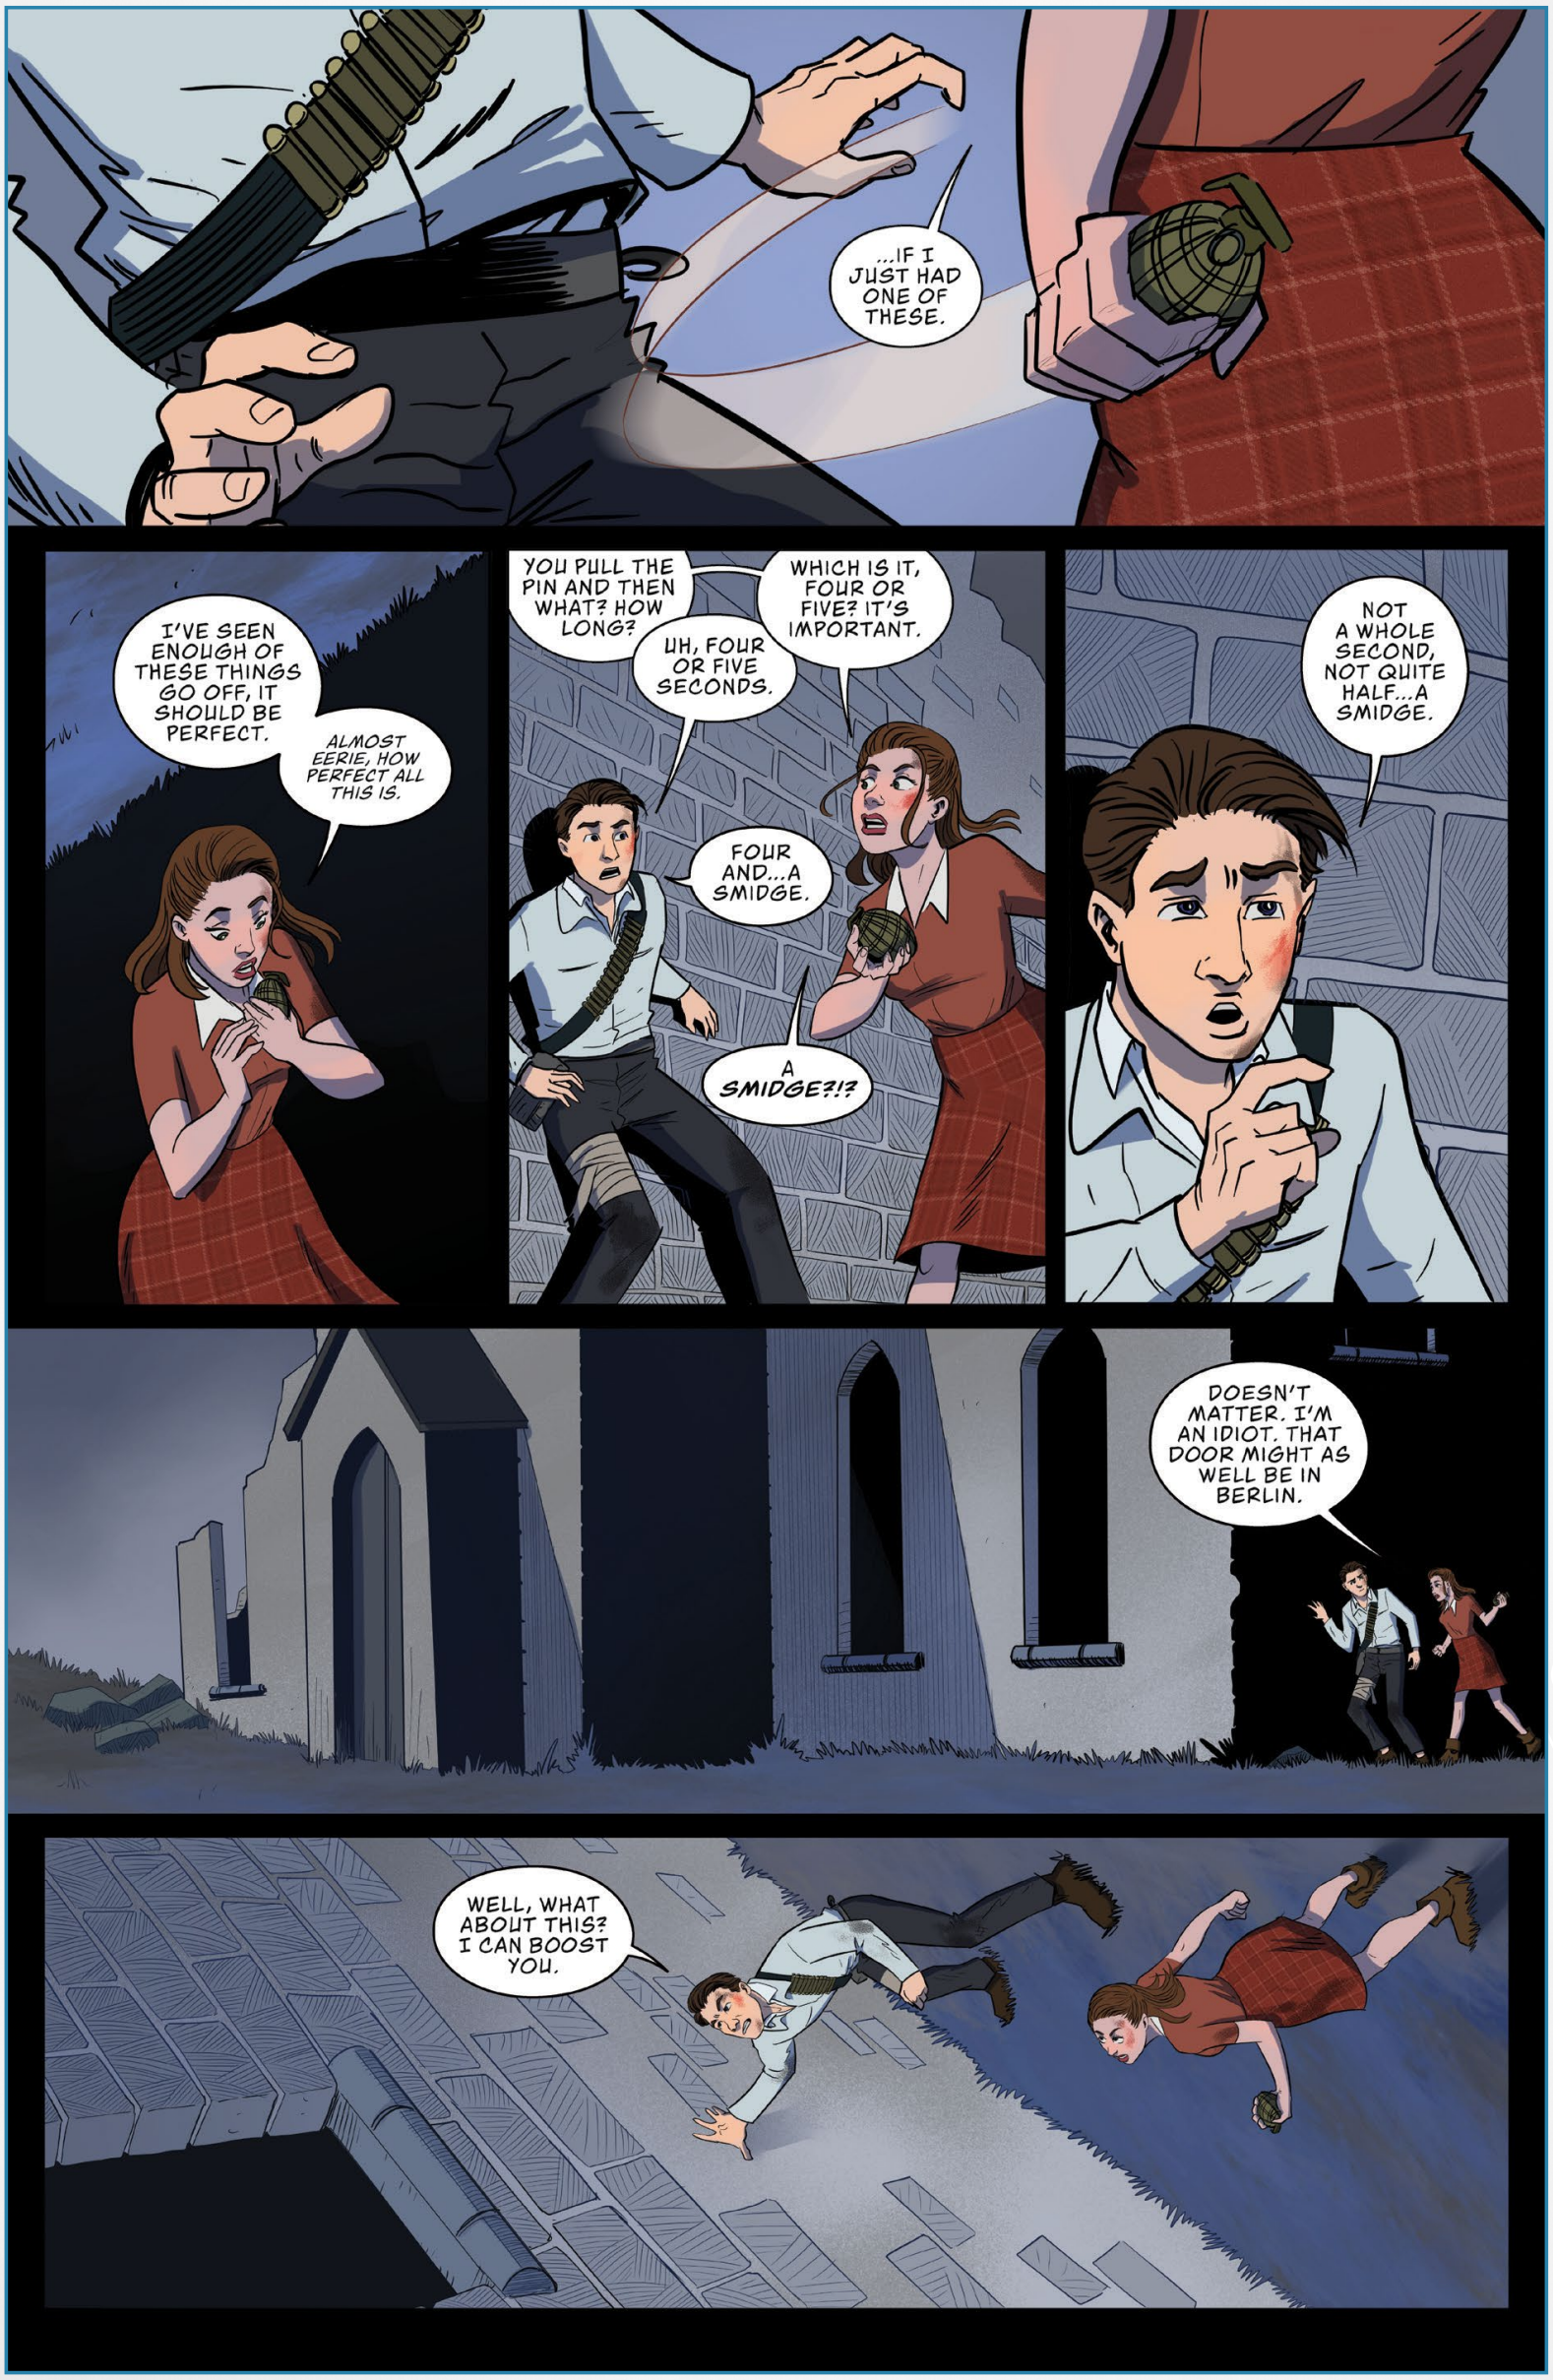
YOU DON'T HONESTLY THINK... I MEAN, IT COULDN'T POSSIBLY WORK.
...BUT IF IT COULD, YOU'D COME UP JUST SHORT, THAT'S WHAT YOU ALWAYS THOUGHT.
BUT THAT'S PERFECT!
IF I MADE IT ALL THE WAY UP WITHOUT BEING SEEN--
WAIT, UP WHERE?
I ABSOLUTELY COULD DO IT, IF I JUST HAD--
DO WHAT?



...IF I JUST HAD ONE OF THESE.
I'VE SEEN ENOUGH OF THESE THINGS GO OFF, IT SHOULD BE PERFECT.
ALMOST EERIE, HOW PERFECT ALL THIS IS.
YOU PULL THE PIN AND THEN WHAT? HOW LONG?

WHICH IS IT, FOUR OR FIVE? IT'S IMPORTANT.
FOUR AND...A SMIDGE.
A SMIDGE?!?
NOT A WHOLE SECOND, NOT QUITE HALF...A SMIDGE.
DOESN'T MATTER. I'M AN IDIOT. THAT DOOR MIGHT AS WELL BE IN BERLIN.
WELL, WHAT ABOUT THIS? I CAN BOOST YOU.

OH. BUT...YOUR LEG.
I'LL LIVE. COME ON.
NNNGH!
THERE, SEE?
JUST GIVE ME A MINUTE.
NO, YOU'RE HURT. YOU'RE SHOT.
NO! WE CAN'T ALLOW THIS ANY LONGER! THEY'RE IN YOUR HOUSE, MARGUERITE!
IT IS MARGUERITE, YES?
OH. YES. GOD, I'M SORRY, I DIDN'T EVEN ASK--
WE'VE BEEN BUSY. I'M EDOUARD.
I DIDN'T ACTUALLY JOIN UNTIL THREE MONTHS AGO, YOU KNOW. THE RESISTANCE.
I THOUGHT IT WAS SOMEONE ELSE'S JOB. BUT THE NAZIS...THEY KEPT ON TAKING AND TAKING AND TAKING.
THEY JUST TOOK THE LIVES OF FIVE MEN WHO DESERVED TO SEE THE END OF THIS WAR.

But Barda has a secret...she is in love. Or she is drawn to the idea of it, anyway, whether it be the beauty of a flower; her affection for her closest friend, Aurelie; or the mysterious and fierce enemy warrior Orion, who is the only match for Barda's strength.

When Granny decides Barda is becoming too soft, she assigns Barda a task that might be more than she can handle—to break the seemingly unbreakable Scott Free. And as Barda questions why Scott has such hope and what he might have done to provoke such hatred from Granny, she finds herself drawn to him in a way she never expected.

GLEEM
FREDDY CARRASCO

"An Afro-futuristic world where the kids are alright but looking for more... Throughout *GLEEM*, narratives and images blur into one another, making you look again and again, longer and more intently each time."
—Hyperallergic

"Dynamic cyberpunk in a Taiyō Matsumoto veil [where] Blackness exists in a dangerous place outside the security of citizenship- in the real world."
—The Comics Beat

Enter a future of defiant vitality in *GLEEM*

Imbued with cyberpunk attitude and in the rebellious tradition of afrofuturism, *GLEEM* is drawn with a fierce momentum hurtling towards a future world. Carrasco's distinct cinematic style layers detailed panels and spreads, creating a multiplicity of perspectives, at once dizzying and hypnotic. Vignettes unspool in proximity to our own social realities and expand into the outer layers of possibility. Whether in the club or a robot repair workshop, the characters in these three interconnected stories burst across frames until they practically step off the page.

A boy becomes bored at church with his grandmother until he tries a psychedelic drug. A group of friends are told that they need a rare battery if they want any chance of reviving their friend. Street style and cybernetics meet and burst into riotous dancing. Kindness and violence might not be as distant from each other as we think. *GLEEM* unsettles with a confidence that could make you believe in anything.

SO LONG SAD LOVE

MIRION MALLE

Translated by ALESHIA JENSEN

No matter how wrong relationships can be, there's nothing quite like getting them right

Every guy's been a creep at one point or another. That's just the way it is. Or at least, that's what Cleo tells herself once she finds out her boyfriend might not be the man she thought he was. Is it possible to keep loving someone you're not sure you can trust? More to the point, should you? Once the fabric of Cleo's relationship rips at the seams, the life she had built with him—abroad and away from those closest to her—unravels right before her eyes. Yet, letting it fall to pieces as she walks away is only half the story.

So Long Sad Love swaps out the wobbly transition of weaving a new existence into being post-heartbreak for the surprising effortlessness and simplicity of a life already rebuilt. Cleo not only rediscovers her identity as an artist but uncovers her capacity to find love where she has always been most at home: with other women.

Mirion Malle dares to tell a story with a happier ending in a stunning, full-color follow-up to the multi-award nominated *This is How I Disappear*. Translated by Governor General Literary Award nominee Aleshia Jensen, *So Long Sad Love* unabashedly skips to the good part and shines a light on just how rewarding following your bliss can be.

But did the girl, uhh... Sarah,

Farah

Farah

Has she said anything to you about it?

No, not at all. We really just talked about the contract.

It went really well. She wants it to become a regular thing.

And Charles? He's cool with that?

Well, not really. That's the annoying part...

Sorry hon, but I'm gonna be honest: there's clearly something off about this.

Oh, you think I shouldn't take the contract? It's just that it's well paid and everything.

No, I'm talking about Charles.

The way he's acting is **so** weird.

Don't you find?

Uhh...well, I dunno.

Weird?

Just seems like he's really got his guard up?

Almost like...he knows [redacted] gonna hit the fan?

Yeah, but wouldn't he have told me?

I mean I...I just don't Know why he'd hide things from me.

Hey I don't Know, I don't want to upset you or anything. And maybe I'm way off base.

All I'm saying is, from an outside perspective, it seems really weird.

Like Kind of a red flag.

Anyway, I don't Know Charles that well, I'm sure you'd Know better than I would!

And as you Know, I hate most men to begin with! Who am I to judge!

Haha!

But—and then I'll drop it— you don't find it a bit strange?

Like, just a bit?

I...

Yeah

I do.

I don't really get it? Why is it such a touchy subject?

Like... Farah is **adorable**!

I don't get why he's so fixated on this. She has literally **never** mentioned his name to me!

Even at the festival, he's the one who made a huge deal about it!

And the worst part is I can't help my mind from going to the worst place...

But I know Charles. We've talked about stuff like this before! He knows what I went through and how these things impact women...

And he's also really cool? And super nice? But maybe I don't even know him.

And it's not like he's saying "oh no, nothing happened" and everyone else is like "oh no, actually he was awful."

Everyone says it was nothing serious.

The school he went to is full of clueless, rich, white kids. I can see how something like this could've escalated fast and would have seemed harmless to them, and at the same time have become a painful memory for her.

So anyway, maybe that's all it was, but I still have this sinking feeling, like a knot of **anxiety**?

Well...

Can I be straight with you?

Yeah, of course.

Have you confronted him?

Charles, I mean.

The conversation always spirals out of control, so I kind of don't want to bring it up. When I do it feels like I'm walking on eggshells.

Eesh...

I know...

Maybe you could write to Farah and ask her directly?

Yeah...I guess I probably should...

You know...

When we first met each other, I was working in a shared studio.

I'm not sure if you remember?

The one on Papineau, right?

Exactly.

Right, so, the guy running the space: total loser.

Me and two other girls had to leave because he was such a [redacted] creep.

He had no idea how to act around women.

He'd send us these intense messages. We started feeling harassed.

Same thing in person: inappropriate comments, he'd touch your back when he walked by...

Of course the other dudes at the space thought we were overreacting, like it wasn't that big of a deal.

We ended up breaking our lease because it was unbearable.

Which sucks because one of the girls couldn't find another studio, so now she works by herself at home.

Marie and I both got lucky and we found something pretty quick.

But my point is: since we all left at once, people started talking. And a few women told me they'd had the same experience with him...

Innuendos, constant messages on Messenger, always trying to grab their ass. A real charmer! Gross...

And he's still at the same studio with the same dudes, business as usual.

I'm convinced that when someone harasses people like that, they don't ever really change.

I'm a pessimist at heart!

Haha

Club Microbe

ELISE GRAVEL

It's a germ's world. We're just living in it!

In *Club Microbe*, Elise Gravel teaches young readers that germs live all around us—and even inside of us! Guided by Gravel in this formidable introduction to the fascinating world of microorganisms, we learn that some microbes get a bad rep for making us sick, but that most are helpful creatures that allow us to digest food, make cheese, and even enable snowflakes to form in winter.

In her signature colorful cartoon style, Gravel describes the invisible work of microorganisms that aid in creating our food, producing oxygen, and keeping our planet alive. She gives us a tour of the heroes and the villains of the microbe world, stopping to marvel at their unique names and wondrous shapes.

Following the perennial success of *The Mushroom Fan Club* and *The Bug Club*, this latest installment of the hit science-focused collection will deepen readers' curiosity for all aspects of the natural world. A whimsical primer on the microscopic life that surrounds us, *Club Microbe* is sure to pique the interest (and imagination!) of any young scientist.

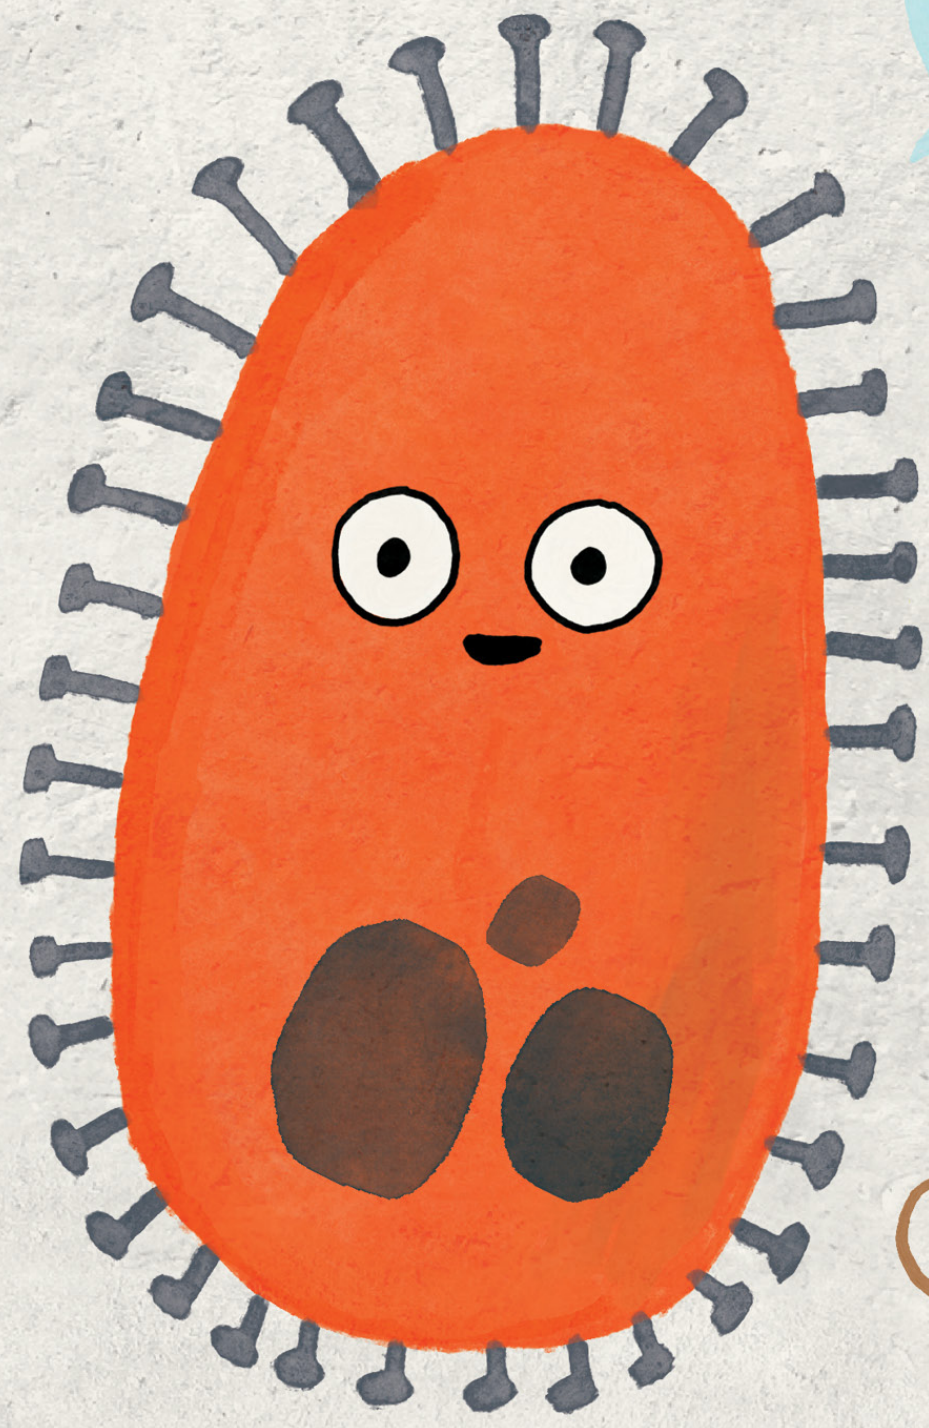
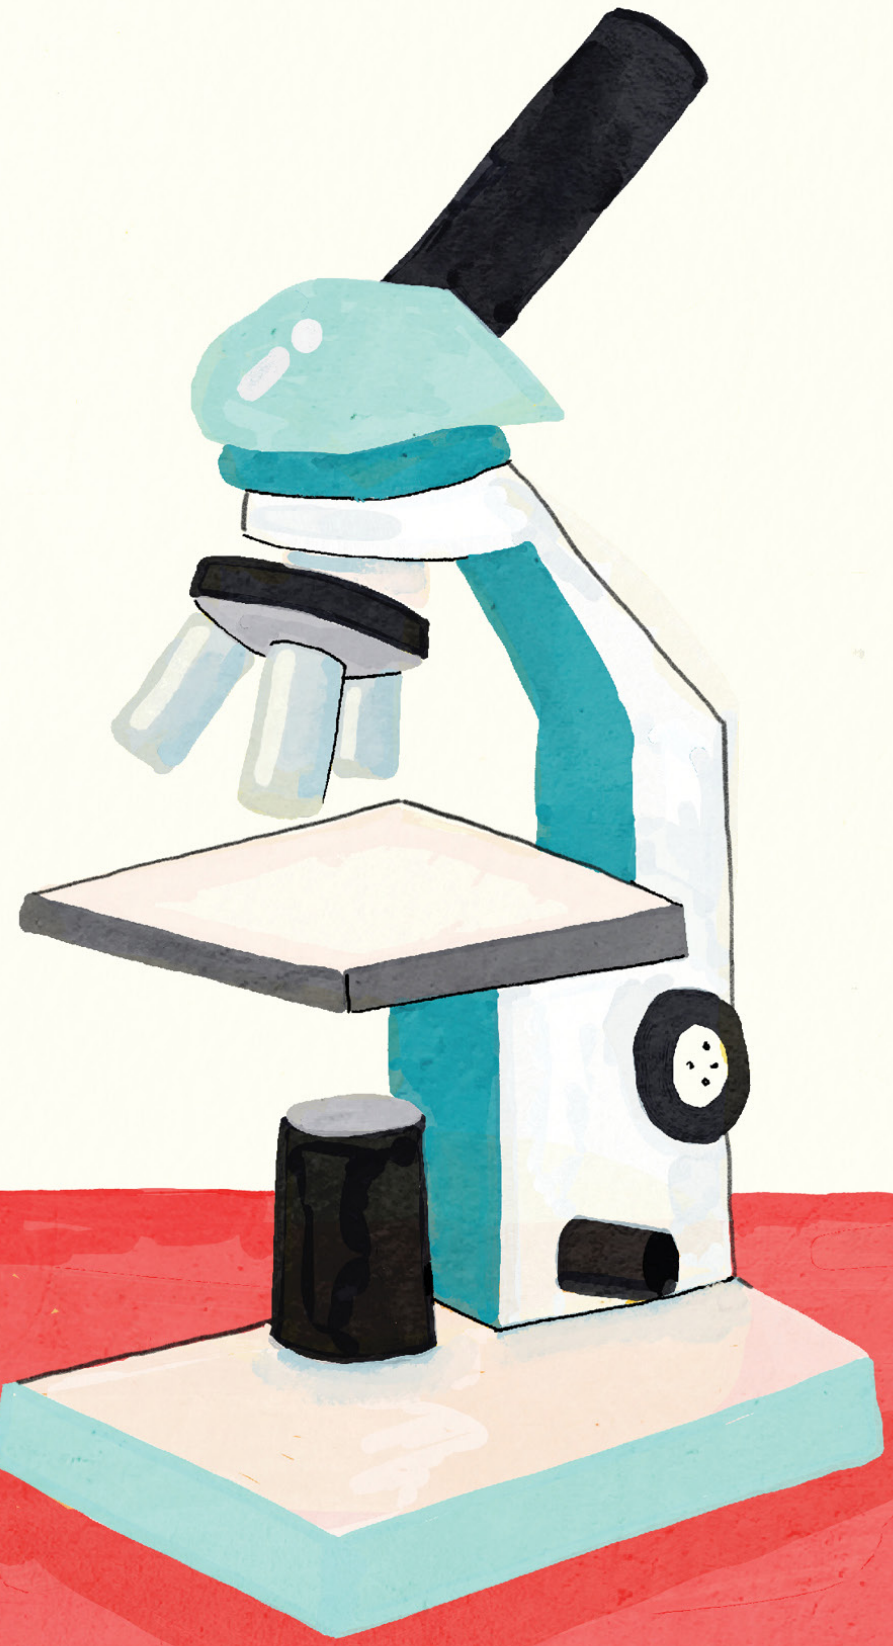
Microbes are living beings, but they aren't animals, or plants, or insects. They don't have legs, brains, mouths, or eyes. (Except in my drawings).



To observe microbes, you need a very good

MICROSCOPE.



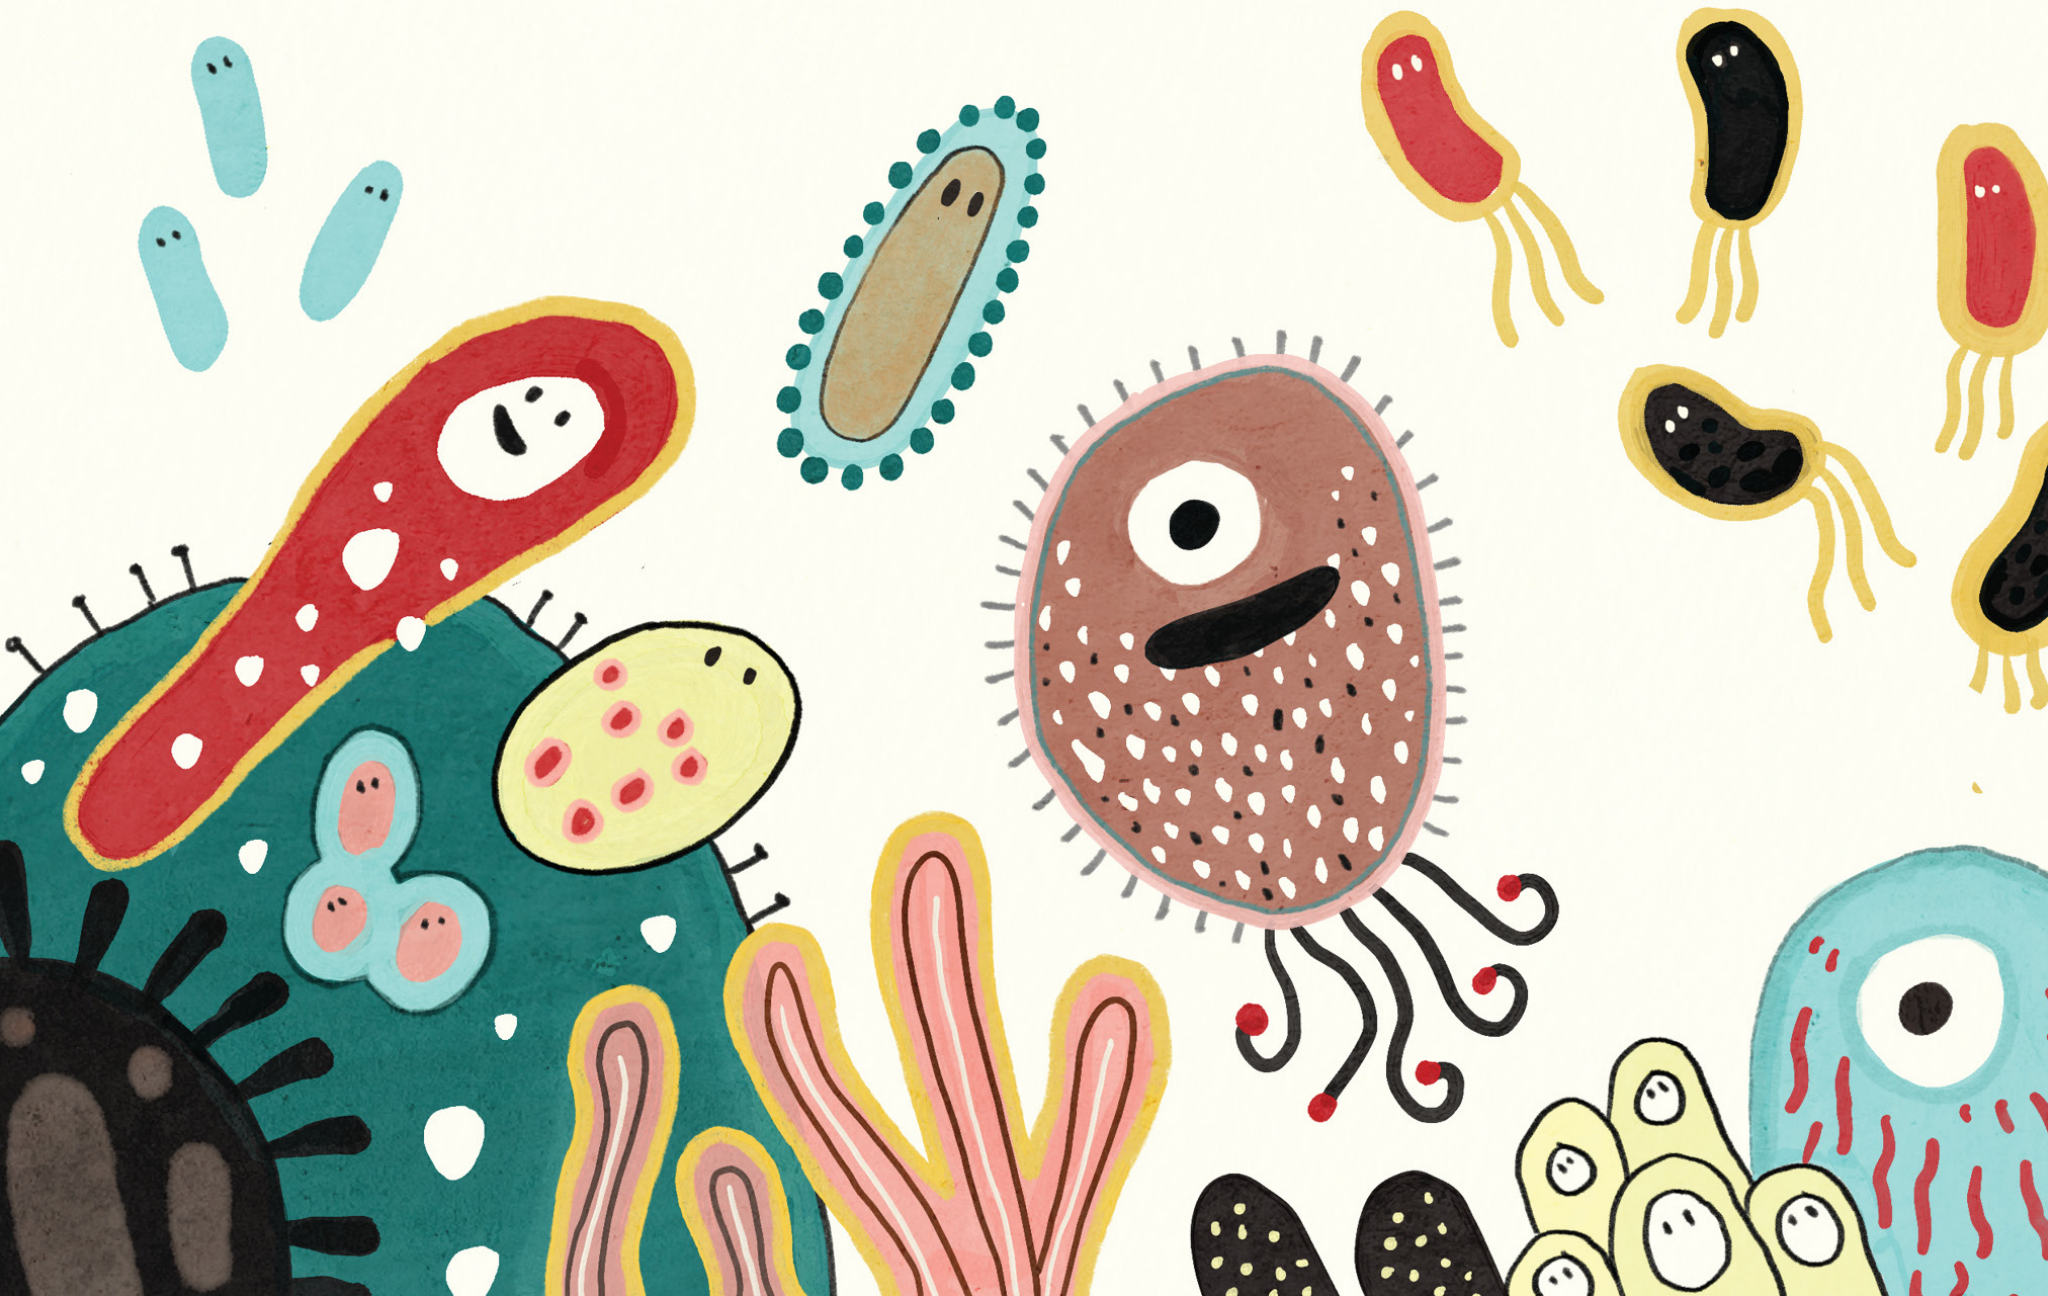
The scientists who study them are called

MICROBIOLOGISTS.

But the VAST majority
of germs are good for us,
for nature, and for the

PLANET.

We couldn't survive without them!



Come, let me introduce you to some of them!

I absolutely must show you this amazing virus called the

BACTERIO

It's a virus that only attacks bacteria. It looks like an extra-terrestrial space shuttle, don't you think? Can you believe these microscopic organisms are all around us, and even INSIDE of us?

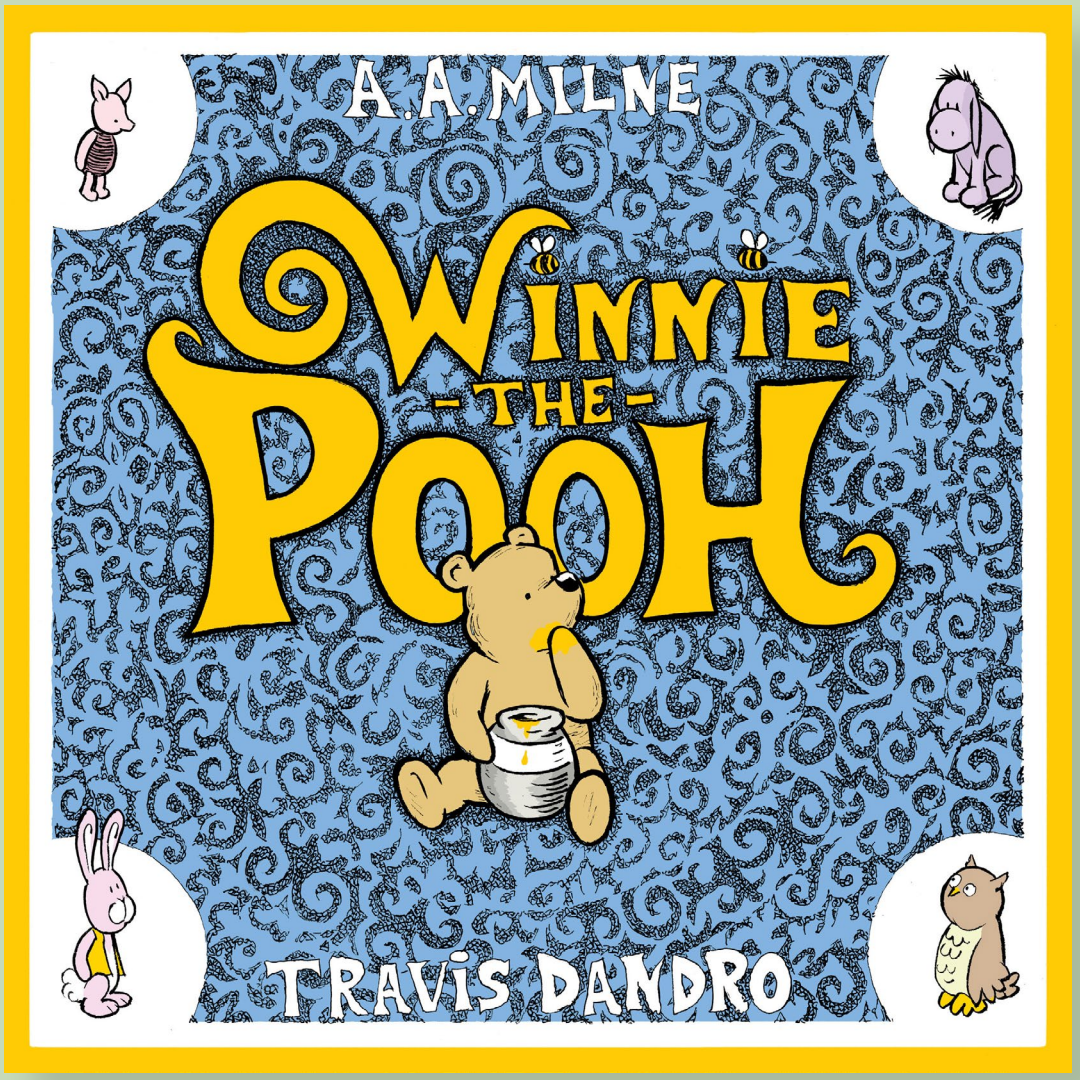
WINNIE-THE-POOH

TRAVIS DANDRO



"A charming and sincere comic book love letter to Hundred Acre Wood and its inhabitants. Every page is a playfully experimental delight!"

–TOM GAULD,
Revenge of the Librarians

"A lively, warm and visually inventive rendition of a literary classic. You'll fall in love with this book page by page!"

–NOAH VAN SCIVER,
Joseph Smith and the Mormons, Maple Terrace

The beloved children's classic appears as a graphic novel for the first time

PEN Graphic Novel Award winner Travis Dandro takes a left turn from his detailed autobiography and returns with the charming tales of Winnie-the-Pooh. In 2015, the A. A. Milne childrens' classic, long since viewed as the benchmark for intelligent and whimsical storytelling, slipped into the public domain. The beloved series now gets the comics treatment from a gifted artist at the peak of his cartooning prowess.

Dandro expands the world of Hundred Acre Wood in all directions, creating stunning full-page tableaus where Pooh and everybody's favorite characters—Piglet, Eeyore, Tigger, and of course, Christopher Robin—to romp, argue, fail, and love. Indebted to the unforgettable pen-and-ink drawings of E. H. Shephard, this addition to the canon of timeless literature for all ages encompasses all of Winnie-the-Pooh's original adventures, alongside a brand-new story from Dandro created exclusively for this volume.

The Blood Brothers Mother #1

BY BRIAN **AZZARELLO** AND EDUARDO **RISSO**

NEW SERIES DEBUT FROM THE TEAM BEHIND *100 BULLETS*!

MINISERIES PREMIERE

STORY
SYLVAIN RUNBERG

ART | COVER
MIRKA ANDOLFO

New York's destiny is written in its depths...

Alison Walker is a promising young painter in Manhattan.
But she has a secret. She's also a witch. She and her family belong to the world of Under York, a mysterious, underground New York where five powerful clans of witches have reigned for centuries. These families with their strict codes of life, drawn from the country's main communities (African, Irish, Chinese, Mexican, and Amerindian) practice magic as powerful as it is dangerous. For generations, they have been hunted and persecuted. Today, they secretly influence life on the surface and its inhabitants. Their revenge is to participate in the destiny of a world that banished them. And this is the universe in which Alison Walker grew up. The universe she fled and doesn't want to hear about anymore. Until fate catches up with her...

Acclaimed French writer **SYLVAIN RUNBERG** (***Watchdogs***, ***Warship: Jolly Roger***) and superstar Harvey Award winner **MIRKA ANDOLFO** deliver a fascinating tale, where urban fantasy takes root in the bowels of the world's most famous city. Two universes—that of contemporary New York and its dynamism and modernity, and that of the secret, underground magical clans of Under York—collide in the destiny of a young witch on the run.

JOURNEY BEYOND SPACE, TIME, AND IMAGINATION!

AN INTERVIEW WITH TIM DANIEL, "DB" ANDRY, AND MARCO FINNEGAN

Beneath the supernatural, reality-bending tale of *Morning Star*, what's at the very core of the series?

- **Daniel:** We had a desire to tell a story about the role and importance of a father in a family, and what happens to that family when the father's sudden absence creates a vacuum.
- **Finnegan:** It's really about a grieving family that's trying to stay together despite their world falling apart around them.

Sounds like this story takes on difficult real-life situations with a lot of heart! Are you drawing from personal connections to tell this tale?

- **Daniel:** Absolutely. The idea of not being here for my daughters – naturally, that would be my greatest fear in life. Both of the child characters in *Morning Star* show resilience and resourcefulness, and my hope is that, if my daughters were to lose me, they would be able to exhibit those same traits.
- **Finnegan:** The kids in the story are inspired by my own son and daughter, in spirit if not in actual likeness.
- **Andry:** I try to put some of myself into every character I write. This is a family dealing with loss, each in their own way. I tried to look inward, to see how I've dealt with things in my past to color each of the characters in *Morning Star*.

What can you tell us about the look and feel of this story?

- **Daniel:** Expect a period piece that opens as a haunting/ghost story and closes as something entirely different. It's somewhere along the lines of *Poltergeist*, *E.T.*, and *Close Encounters*, and yet there's nothing else like it on the shelves.
- **Andry:** The art and coloring style capture the feel of comics made during the time period that the story is set. The art style is classic and the coloring is slightly offset, so it looks like it was sent through a printing press that occasionally misses the mark. Totally authentic and unique!

THE FUTURE IS FUNGAL!

AN INTERVIEW WITH WRITER/ARTIST OLIVER BLY

We've heard *The Mushroom Knight* is a fantasy story that takes place in our reality, as opposed to an ancient world or far-off galaxy. Can you tell us more about the setting of the book?

The Mushroom Knight is set in The Wissahickon, a preserved area of woodland in Northwest Philadelphia that is so incredibly immersive, you may, at times, forget the grit of the city is just a step away. During the conceptualization of the book I took long walks there daily and let some of its magic take personified form in my imagination. While I was doing this groundwork I noticed some neighborhood children began leaving little "faerie houses" around the walking trails. Someone would leave the house, and others would leave pieces of precious bric-a-brac, dollhouse furniture, etc., until the groundskeepers who manage the land would discard the "trash". Or, come to think of it, perhaps the miniature inhabitants had their fill of gifts, and made their domiciles invisible to us once more.

Who are our main characters, the Mushroom Knight and Lem, and what motivates them?

Gowlitrot, the Mushroom Knight, is a curious and prim little faerie creature that values reason, kindness, and balance. Most of all, he values life, and is sworn to protect the ecology of life. Along with his companion Lem, he will embark on a path that will unearth perilous challenges to himself and to the foundation of our collective realities.

Lemuelle "Lem" Clemmons is a shy human girl searching for her missing dog, and Gowlitrot meets her during his adventures. She often feels endangered, and hides important pieces of herself as a result. She gravitates to people that she can feel comfortable with over those who she may have more in common with. There is something curious about her that allows her to tap into the invisible world of sprites and gnomes hidden in The Wissahickon.

What kind of audience do you foresee enjoying the delights and wonders of The Mushroom Knight?

This is a whimsical yet eerie, simple yet spiritual story— something (hopefully) wise dressed up in cartoon clothing. Similarly, I see it resonating with fans who enjoy fantasies that have something interesting moving under the surface tropes— things like *The Sandman*, *Fables*, and *Neon Genesis Evangelion*. I also think readers interested in mycology, environmental justice, nature, psychology, and esotericism would find this story winking to them as well.

SUMMERTIME FRIENDS VS. TREASURE THIEVES!

AN INTERVIEW WITH STEVE ORLANDO AND KATIA VECCHIO

What motivated you to embark on the journey of creating *Silver Vessels*?

- **Orlando:** After the success of developing *Exorcists Never Die* with Mad Cave, we wanted to challenge ourselves with a pivot to Young Adult, and see if we could apply our shared imaginations to a completely new genre and medium. What does adolescence look like today? What do families look like? And even more so – what is the real point of hunting treasure in today's world? I connected with that feeling of teenage life, the unique time where one is on the cusp of discovering so much about oneself and the world, but also thinks they've already got it all figured out. There are aspects of me in every character of Silver Vessels, even the antagonists!
- **Vecchio:** *Silver Vessels* and its characters brought back memories from my childhood when my family and I used to spend summers in the countryside. Together with my siblings and the neighborhood kids we would often search for abandoned houses. We felt like little explorers, just like our heroes, Josh, Hope, and Hunter.

What's the real treasure in Silver Vessels that you hope readers take with them after reading it?

- **Orlando:** I want our readers to feel hope, joy, fear, introspection, compassion, and pride. The key here is to celebrate the time in between youth and adulthood. Teenage life is always a quest for treasure, it's just that the treasure's different for everyone!
- **Vecchio:** I hope readers feel the friendship, loyalty, and self-love that radiates from our protagonists, and that this story can promote a world where diversity is cherished and the beauty of nature is safeguarded.

Who's most likely to join the treasure hunt in *Silver Vessels*?

- **Orlando:** Readers who enjoy stories like *Lumberjanes*, *Beast Boy Loves Raven*, and *Percy Jackson*!
- **Vecchio:** Fans of comic books like *This One Summer* and movies like *The Goonies* and *Stand By Me* will appreciate *Silver Vessels*!

From literary icon Barry Gifford—internationally renowned creator of *Wild At Heart* and cowriter of David Lynch's neo-noir masterpiece *Lost Highway*—*Night People* is a pulsating roadmap of the American subconscious, where neon-lit Southern nights give way to lipstick, sweat, and blood, and the odd, innocent, and evil are all fellow travelers down an interstate of dark, elusive dreams.

Adapted from Gifford's acclaimed novel by breakout writer Chris Condon (*That Texas Blood, The Enfield Gang Massacre*) and a rotating cast of stunning artistic talents, follow an uneasy company of wanted criminals, cartel killers, and lost souls through four interlocking tales as they travel a path of intoxication, lust, and spontaneous violence from New Orleans to Egypt City, Florida, and back again.

In our first tale of desperation, fanaticism, and murder, drawn by Brian Level (*Poison Ivy*), two ex-convicts—a pair of inseparable lovers named Big Betty Stalcup and Miss Cutie Early—are out on parole using their newfound freedom to purify the world of men's evil influence.

IT'S ALWAYS MIDNIGHT FOR *NIGHT PEOPLE* | AN INTERVIEW WITH WRITER CHRIS CONDON

ONI PRESS: With *That Texas Blood* and *The Enfield Gang Massacre*, you've carved out a path as one of the best writers of character-driven, blood-stained noir in recent memory. What made you want to take up *Night People* as your next project?

CHRIS CONDON: I like to challenge myself with every new project. With *Enfield*, Jacob and I tried to do something new with how we were telling a story: three panels and splash pages almost exclusively. With *Night People*, I was bringing someone else's story to a new medium, which was something I had never done before and presented an interesting challenge. But this wasn't just anybody's work, it was Barry Gifford. So to find a way to do this that remained faithful to Barry's original story while differentiating it was a thrilling prospect. It's been great—though dark—fun.

ONI PRESS: This series also sees you working in close collaboration with novelist and screenwriter Barry Gifford, who's beloved for novels like *Wild at Heart* (adapted for film by David Lynch) and one of the seminal statements on modern noir, *Lost Highway*, which he also cowrote with Lynch. How has the exercise of adapting Gifford's novel differed from your standard process?

CHRIS CONDON: It's been a completely new and unique experience. I read Barry's *Night People* several times, took copious notes, and wrote a very detailed outline before I ever even got to a script. I'm not much of an outliner on my own projects. However, with *Night People*, it helped me tremendously to keep track of where I was and how faithful I was to the source material. That was a big thing for me on this project, staying faithful to the original text. I think Barry wrote a hell of a great book, and it would do a disservice to Barry and our readers to stray too far from it.

ONI PRESS: With this series, each issue is a stand-alone—but subtlety interconnected—tale, each drawn by a different artist: Brian Level (*Lazarus*), Alexandre Tefenkgi (*The Good Asian*), Artyom Topilin (*I Hate This Place*), and Marco Finnegan (*Crossroad Blues*). What do we have to look forward to in future issues?

CHRIS CONDON: Each issue is unique in terms of story, so it makes sense to have each issue have a different, unique artistic approach. I'm so thrilled to see the artistic powerhouses Oni Press has brought onboard to tackle this adaptation with me. The way Barry's book works is that you never know what turns it will take or what characters you'll be following in any particular chapter. We've utilized that approach in this adaptation, and I think we're crafting something that should be exciting for readers and will have them coming back issue after issue to see where this wild story is going to go next.

IT'S SPRING BREAK, FOR RICK'S SAKE!

Slap on a Speedo and slather on that suntan lotion, because the omniverse's most dysfunctional uncle/nephew combo is about to catch an unhealthy dose of extra-solar radiation in an absolutely gargantuan, absurdly overstuffed 64-PAGE GIANT!

Aw yeah, spring break! Rick, Summer, and Morty have ventured offworld to a planet where young, sexy vacationers from around the universe come to party, cut loose, and compete in the annual Spring Break contest! While Summer has just enough self-respect to avoid vying for Ms. Spring Break, Rick doesn't! And he's all in on winning Mr. Spring Break. But little do our heroes know that winning the Spring Break competition comes with a steep "reward," and if the winner refuses the reward, well, it may just unleash a swift and vicious class war between the exploited and exasperated locals and the pampered and unprepared spring breakers.

Could one girl be the key to uniting a world split by an ages-old prophecy spurred by Brother Havoc and Sister Fortune?

A thousand years ago, a mighty battle pitched two of the greatest sorcerers against each other, Brother Havoc and Sister Fortune. In the end Brother Havoc won, shattering his rival into a thousand shards.

Now, a millennia later, teenager Carrie Taylor not only learns that she is one of these shards, but that each shard created an alternate universe, with multiple versions of her out there—and a great evil is bent on destroying them all.

Carrie must team with a handful of "alternate" Carries from across the universes to fulfill a prophecy that will bring Sister Fortune back from limbo to defeat this evil, but the more Carrie travels from broken universe to broken universe, she realizes she might not be working for the "good guys"—nor, perhaps, is she one of these shards after all.

If that is indeed the case, then who is she?

The second installment of Brenna Thummler's bestselling *Sheets* trilogy now available in a deluxe hardcover featuring never-before-seen content!

Marjorie Glatt's life hasn't been the same ever since she discovered a ghost hiding in her family's laundromat. Wendell the ghost soon became one of Marjorie's only friends, but with Marjorie's insistence on keeping Wendell a secret from her new friends, he begins to feel even more invisible than he already is.

Eliza Duncan feels invisible, too. Her zealous interest in finding and photographing ghosts gets her labeled as different by all the other kids in school. Constantly on the outside, Eliza begins to feel like a ghost herself. It's not long before Marjorie must confront the price she pays to be accepted by the popular kids—Is it worth losing her friend Wendell? Is she partially to blame for the bullying Eliza endures?

Following the events of *Sheets*, *Delicates* is a powerful story about what it means to fit in, and those who are left on the outside. It shows what it's like to feel invisible, and the importance of feeling seen.

HOBTOWN MYSTERY STORIES VOL. 1: THE CASE OF THE MISSING MEN SC

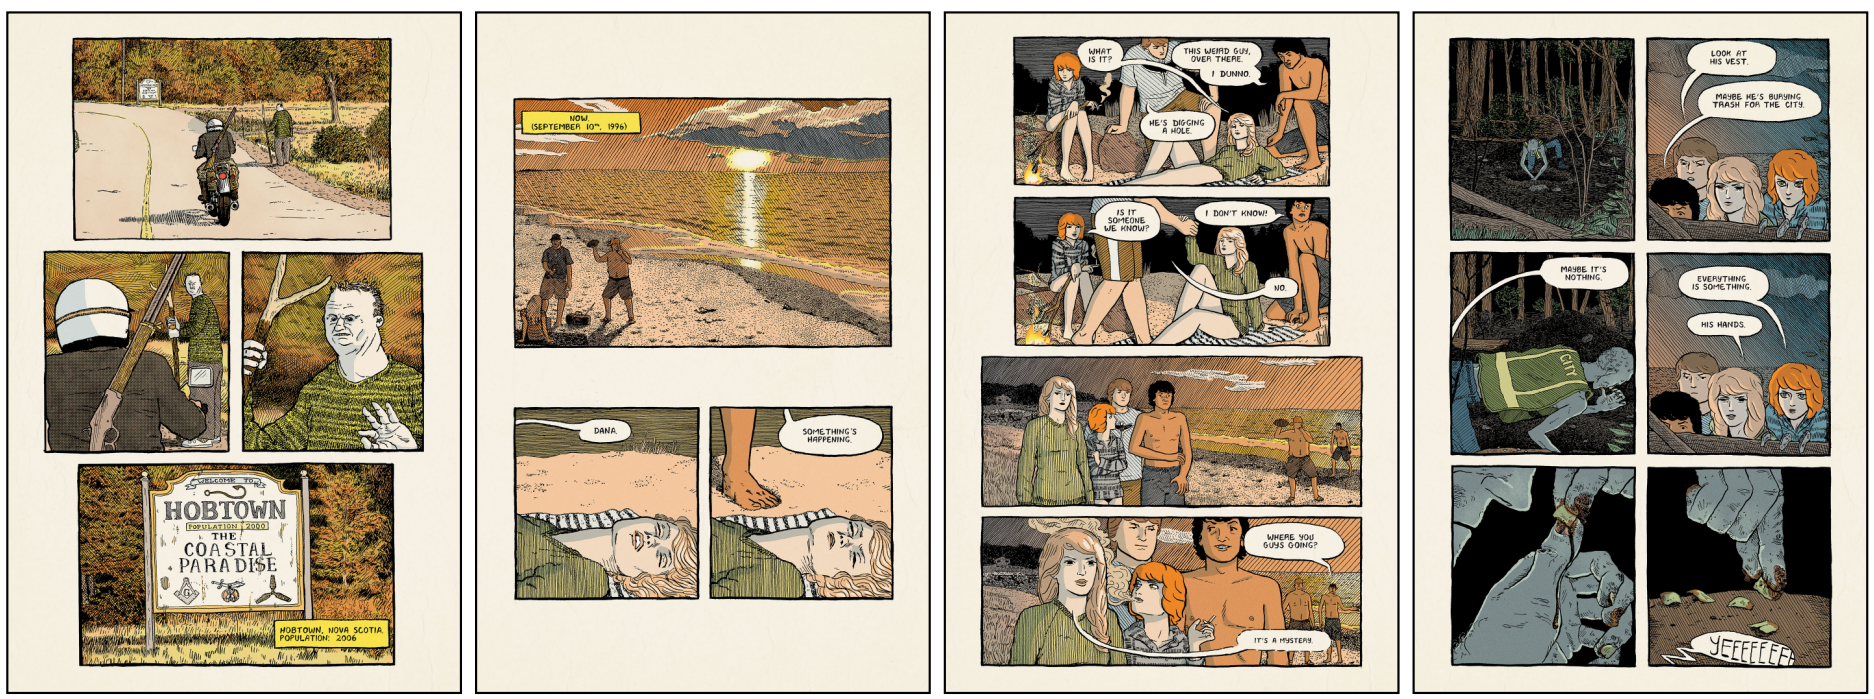
WRITER KRIS BERTIN ARTIST/COVER ALEXANDER FORBES

Welcome to Hobtown, a charmingly bleak village (Population: 2,006) and an easy place to get bored if you don't make your own fun.

Hobtown Regional High's top girl, Dana Nance, runs the Teen Detective Club—a registered after-school program that makes it their business to investigate each and every one of their town's bizarre occurrences including pagan secret societies, psychic assaults, and possible "wee man" sightings. Their small world of missing pets and shed fires is turned upside down when real-life kid adventurer and globetrotter Sam Finch comes to town and enlists them in their first real case: the search for his missing father. Something strange is going on, and no one in Hobtown will talk about it. It turns out Sam's dad is the sixth man to go missing this year. The rot runs deep in Hobtown, and it's up to the teen detectives and associates to stay alive long enough to crack the Case of the Missing Men!

Childhood friends Kris Bertin and Alexander Forbes have built a truly unique and discrete universe in *Hobtown*—an exploration of small town identity drawing from the world of pulp, filtered through a lens of esoteric spirituality, skewed genre tropes, deft character work, and an incredible eye for detail.



PERFECT FOR FANS OF *TWIN PEAKS*, *BLUE VELVET*, AND *THE HARDY BOYS MYSTERIES*, THE *HOBTOWN MYSTERY STORIES* TAKE THE TEEN INVESTIGATOR GENRE TO NEW LEVELS AS THEY EXPLORE SMALL-TOWN IDENTITY AND THE SURREAL.

Discover LySandra Vuong's hit supernatural action Webtoon in print for the first time ever!

In a world where priests are decked out in holy tattoos and brandish machine guns in the face of demons, a powerful exorcist and a mysterious boy cross paths . . . in a college classroom.

Exorcist Erza's faith is waning when God intervenes and sends him on a mission to protect Sunny, an outwardly normal human, from demonic forces. But as closed-off Sunny runs from a bloody past and Ezra attempts to fulfill his duty, the two find themselves drawn ever closer together.

With his church under scrutiny and the threat of war on the horizon, will Ezra find his conviction in time to keep Sunny safe? Will Sunny even accept his help? Or will they both suffer the consequences?

From debut creator LySandra Vuong comes the first volume of the supernatural action webcomic that explores religious faith, a slow burn queer romance, the weight of destiny, and what it means to be good in a world plagued by demons.

This volume collects episodes 1–18 of the hit Webtoon comic *Covenant*.

Evil Eyes Sea is a fictional graphic mystery set in Istanbul before the 1995-96 elections. Against a background of political propaganda, a conservative party is rising to power using religion to appeal to voters cynically.

Ece and Meltem, two broke engineering students at Bosphorus University, fantasize about having Medusa's powerful gaze and amuse themselves with efforts to move objects with only their eyes. They also share a passion for scuba diving as members of the Student Diving Club.

While on a diving expedition in the Bosphorus Strait, they witness a freak accident underwater. Did Ece and Meltem's evil eye cause the accident? Their investigation leads them to a search for truth and a treasure hidden under the Bosphorus. But their hopes of solving their financial troubles become entangled with political corruption, and they must make grim decisions while navigating a climate of chauvinism, patriarchy, religious pressure, and economic instability. The evolving events threaten their friendship, ethical values, and even their lives—as well as the future of their country.
